

ESC30 Contacts Offer

For decades, SOURIAU has been involved in production and improvement of SBAC (English Standard Specification). SOURIAU can now offer ESC30 qualified contacts for main circular ranges: ESC10 and ESC11.

- A reliable and robust solution** ■ All contacts and manufacturing processes are qualified by an independent organization (SBAC).
- A proven solution** ■ SOURIAU contacts are used on Rolls-Royce engines programs.
- A large offer** ■ Selective or full plating.
Signal and thermocouple contacts.
